---

#### About Minnesota Office Furniture

At Minnesota Office Furniture (MOF), we're not your average furniture company—we're a women-owned, fast-growing team redefining how office and modular furniture is designed, built, and installed. From Fortune 100 boardrooms to custom-built home offices, we create bold, functional spaces using architectural products, systems furniture, seating, and in-house crafted casework.

As a commercial furniture dealer, custom casework manufacturer, and high-end refurbisher all under one roof, we move fast, offer deep customization, and deliver smart solutions without compromising quality.

---

#### Position Summary

We are seeking a **Cabinet Assembler** to join our production team in our Casework shop. This hands-on role focuses on assembling custom Euro-style/CAM modular furniture, and casework to meet client specifications. The right candidate takes pride in craftsmanship, understands millwork techniques, and thrives in a fast-paced, team-oriented environment. This position is responsible for producing quality products on schedule and maintaining a professional, organized workspace.

---

#### Key Responsibilities

- Assemble modular casework, custom cabinetry, and office furniture to spec
  - Install hardware including drawer glides, hinges, and specialty fittings
  - Safely and accurately hand and power tools (drills, saws, routers, clamps, etc.)
  - Read and interpret technical drawings, blueprints, and measurement devices
  - Ensure precision in cuts, alignments, and assembly fit
  - Conduct quality checks throughout the assembly process
  - Maintain a clean, safe, and organized work area
  - Assist with packaging, deliveries, or installations as needed
  - Multitask across concurrent projects
- 

#### Qualifications & Skills

- 1-3 years of experience production/manufacturing environment or similar experience in cabinet assembly, casework, millwork, or modular furniture
- Ability to read and interpret blueprints and technical drawings
- Ability to read and understand English
- Strong understanding of woodworking materials, techniques, and finishes
- Proficiency with woodworking hands and power tools

- Ability to work independently in a mature, professional manner
  - Physical ability to push, pull, bend, squat, lift, kneel, carry, and stand for extended periods (up to 12 hours) up to 50-100 lbs
  - Valid Driver's License
  - Bonus: Experience in finishing carpentry, cabinet installation, or Cabinet Vision/Micorvellum software
- 

### Core Values

We hire people who show up and follow through.

- **Attendance** – Show up consistently and on time
  - **Ownership** – Take pride and responsibility in your work
  - **Being a Finisher** – Get the job done right, the first time, do whatever it takes
  - **Integrity** – Do the right thing, even when no one is watching
  - **Listen well & communicate clearly**
  - **Never stop learning**
- 

### What We Offer

- **Competitive Pay:** Based on experience and skill level.
  - Bi-weekly direct deposit
  - Paid Vacation + Holidays
  - 401(k) with 4% company match on 5% employee contribution
  - Company credit card for job-related expenses
  - Employee Discounts
  - Join a tight-knit, fast-growing company with a supportive, accountable culture
  - Professional Development: Opportunities for training and advancement within the company.
- 

### Schedule

- Full-Time, First Shift
  - Monday to Friday, 6:00 or 7:00 AM to 2:00 or 3:00 PM
  - No weekends
-
